I. Description of Item

Annual Maintenance and Updates for database purchased in FY 2008 with a Wal-Mart of Millington, TN Grant.

The Fire Department has the Hurst Jaws of Life equipment for extrication of citizens from vehicles along with its Hurst Crash Recovery System, a mobile vehicle information database. At accident scenes, the Hurst database will display on laptop computers drawings of every vehicle showing locations of safety components, battery, fuel tank, windshields, etc. This assists fire fighters in making decisions on how to efficiently and safely extricate citizens from vehicles.
